

Friends of the Santa Cruz River P.O. Box 4275 Tubac, AZ 85646

PRESS RELEASE: JANUARY 3, 2012

Friends of the Santa Cruz River (FOSCR) is organizing a clean-up of a large illegal dump site and several migrant trash sites in Rio Rico, on Saturday, January 28, starting at 9 AM.

We will meet at the Rio Rico ballpark parking lot about 1 mile south of Rio Rico Drive on Pendleton Road and will carpool from there to the dump site.

This is a big job, and we can use all the help we can get! Gloves, trash bags, tools, water and snacks will be provided. Just wear a hat and work shoes, and bring your community spirit.

Please RSVP to either Jen Parks (520-235-4325 or j_parks78@msn.com) or Sherry Sass (520-398-8269 or sushi4334@gmail.com), so we know how many people to provide materials for.

Partners for this major clean-up include the Anza Trail Coalition, Rio Rico Properties (the landowner), Santa Cruz County, and the Arizona Dept. of Environmental Quality.

Come join them and FOSCR to help get trash off the Anza Trail, keep pollutants out of our drinking water, and protect our Santa Cruz River.
